(max 45 Characters)

Requests for JOP services can be requested as well to hold memorial services at the same pricing structure as the wedding and suggested date for the day of the memorial at least 30 days in advance. Once the rays have been received, the order for the memorial will take place and be issued on a first come first served basis.

Please Note: It will take a minimum of 14 days for the creation of your memorial, pending holidays and work load.
